

NASA

Marketing Solutions Pvt Ltd.

NASA MARKETING SOLUTIONS PRIVATE LIMITED

A HOUSE OF COMPLETE LOGISTIC SOLUTIONS

ABOUT US

NASA Marketing Solutions Private Limited is an accredited venture promoted by veteran logistics professionals armed with 40+ years of proven and varied experience working mostly with leading multinationals in India

NASA specializes in two of the most important services of warehousing i.e. Inventory Control and Distribution/Transportation services. **NASA** has a centralized business model with its headquarter office in Ghaziabad. It manages its other branches through office automation i.e. having well equipped offices with latest communication equipments, PBX systems and Telephone/Internet services

NASA provides services to over 200 locations across North India, with expertise in Uttar Pradesh and Uttarakhand managing current turnover of over INR 300 Cr on annually basis

OBJECTIVES

VISION

NASA vision is to *“Grow professionally as a company and reach new milestones in the logistics industry by providing exclusive service through network of operators and efficient business model”*

MISSION

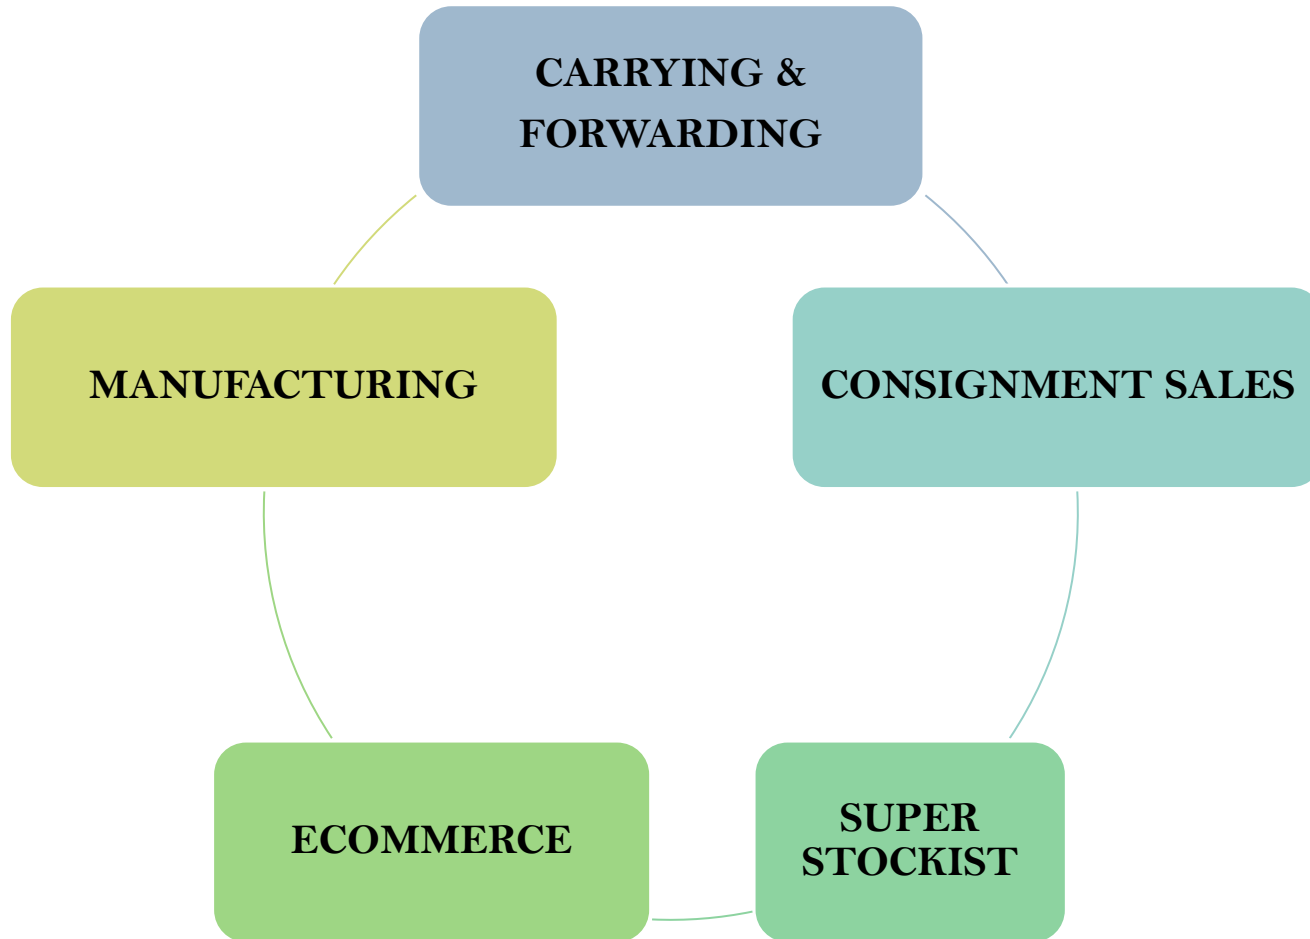

In order to achieve vision NASA mission is to *“Serve our customers in the logistics by providing creative, cost- effective supply chain solutions that continually meet and exceed our customer’s expectations”*
